7. Recruitment Target's. Subjectively, Source considers that
the most vulnerable of the
because he likes the ladies and the material things in
life; because of his strained relationship with
and because he is basically a good sort and a realistic
person. As stated, this is subjective reasoning on Source's part.
8. Replacement Personnel. With and leaving soon,
there is talk about assigning one here as
a replacement for one or the other. is a negro in his early
30s and has served in several African posts (including
Tanzania and Mozambique). has been protected by
but is disliked by most MINREX
types who know him. Source described as a sly and suspicious
person who would not hesitate to report on anyone, including his
friends and neighbors. is believed to have been deeply in-
volved in various "wars of liberation" in Africa. was
originally under consideration as a replacement for
but it was finally
decided to leave here as there were advantages to his being
à U.S. citizen.
Course of the manufactured that any market have now many many many
Source also mentioned that one "AGEO" (a war name; real name not known to Source) was under consideration for assignment here. Source
said that This "AGEO"
was in charge of the purge within MINREX in 1967 which resulted in
the ouster of some 300 persons regarded as homosexuals, counter-
revolutionaries or incompetents
